

E. Ray Lichty Library

The E. Ray Lichty Library is in the process of receiving his large transportation collection as well as other book donations.

Exhibit Hallway

The Exhibit Hallway remains under development.

Records Room

The records room, still unnamed, devotes more than 1,600square feet to housing B&O Railroad records dating from the late 1800s to the CSX era.

BALTIMORE AND OHIO RAILROAD HISTORICAL SOCIETY

Come join us in learning about the nation's first common carrier railroad!

Visitors and researchers welcome every Thursday from 12:00 noon until 4:00 p.m., and every third full weekend of the month except December. We can arrange special appointments.

Check us out through the Society's website BORHS.org.

Lobby

Willard Workroom

Six computer stations and a 48-inch-wide flat scanner handle drawings and posters.

Donor boards in the lobby help recognize contributions to the Society's goals.

Denton Auditorium

Lind Drawing Room

The Denton Auditorium is used for the Society's Eastern Mini-Con, quarterly Community Outreach Presentation, Society meetings and dining.

The Lind Drawing Room is the receiving area for new donations and drawing storage. Many drawings have been scanned, but new drawings are arriving every year.
