

PLEASE HELP YOUR SOCIETY

Baltimore and Ohio Railroad Historical Society: Request for Volunteers

July 2018

Eastern Mini-Con Coordinator: Report directly to the Vice-President. Location of building is established at World Headquarters Building so no work in finding locations. Food is only need in the morning with coffee, tea, juice, and donuts. Four presenters needed on any B&O topic and develop flyer for second quarter Sentinel mailing. Work can be done in your home. Duties can be shared but someone must be the leader. Occurs every summer so planning is once a year.

Name: _____ Contact Information: _____

Holiday Party Coordinator: Reports directly to the President. Location established at World Headquarters in Eldersburg, Maryland. This will be fun night for members to celebrate the past year. Light food fair, entertainment, and flyer needed. Usually occurs on the first weekend of December. Planning needed for 35 to 50 people in attendance. Work can be done in your home. Notice goes out with fourth quarter Sentinel.

Name: _____ Contact Information: _____

Founders' Day Dinner Coordinator: Reports directly to the President. Location established at World Headquarters in Eldersburg, Maryland. Planning needed for 35 to 50 people in attendance. This is a business like affair with a sit down dinner and a feature presenter. Arrange food with local caterer, develop flyer to go out with fourth quarter Sentinel mailing, and find dynamic feature speaker on any **railroad** topic to keep men and women interested. Work can be done in your home. Occurs every late February or early March so planning is once a year.

Name: _____ Contact Information: _____

Quarterly Outreach Program Coordinator: Report directly to the Vice-President. This person will seek out presenters for four annual meetings, one per quarter. Location established at World Headquarters in Eldersburg, Maryland. Work can be done in your home. Presenter can talk on any railroad topic that last approximately 45 – 55 minutes on a weekday evening.

Name: _____ Contact Information: _____

Calendar Development Coordinator: Reports directly to the President. A once a year project to help select 14 to 16 slides / photos to be used in our annual calendar. Coordinator will develop captions or seek help from members to do so. Calendar will be ready for layout by February 15th and printed no later than March 31st. Sales will start by early April and flyer will be needed for 3rd quarter Sentinel mailing.

Name: _____ Contact Information: _____

Building Grounds Keeper: Reports to Building Manager or Vice-President. Keeps flower beds weeded and replaces annual plants. Keeps entrances clean and polices parking lot. Person will sets up Holiday decorations in December. Works on their schedule as long as things are professionally looking outside.

Name: _____ Contact Information: _____
