

# **The Baltimore and Ohio Railroad Historical Society Convention and Annual Business Meeting - October 17, 2020**

Dear Fellow Member,

The B&O Railroad Historical Society, like many other groups, has had to cancel its regular in-person annual convention for 2020 due to the COVID-19 Pandemic. Instead, we are holding our convention as a live Zoom (online) event this year to allow members to join in virtual fellowship and enjoy the member presentations and attend the annual business meeting.

Our Zoom agreement allows for a limited number of participants (100) so if you would like to attend, please reply A.S.A.P. to this email at [virtualconvention2020@borhs.org](mailto:virtualconvention2020@borhs.org) **and** we will send you the meeting password for this event. Join us virtually on the **October 17<sup>th</sup> at 9:00 AM EDT** on the computer of your choice. RSVP requested.

Program details are below:

Wade Rice -The Preston Railroad - The Maryland and West Virginia logging and coal railroad served by the Baltimore and Ohio Railroad

David J. Leider - History of the Baltimore & Ohio Chicago Terminal - From the beginning to the close of Grand Central Station

Nick Fry - It's a Gas, Gas, Gas: Helium Transportation - Helium production, transportation and use by Goodyear and the U.S. Government
