Descriptions of Recent Books

- 10182 Encyclopedia of B&O Cabooses, Vol 6, by Dwight Jones. Covers early 4- and 8-wheel cabooses (primarily BR&P and B&S), and cars from B&OCT, Alton, GM&O, and SIRT. Included are detailed rosters of each class, assignment information, diagrams, drawings, maps, charts and graphs providing thorough coverage of each class. Additional chapters cover marker lights, and painting and lettering. A detailed index allows easy access to specific information on all 6 volumes.
- 10183 Ghost Rails XIX B&O Lakers, by Wayne Cole. This hardcover book is described as the Complete History of the Lake Branch to Fairport Harbor Ohio on lake Erie. The journey starts in New Castle Pennsylvania and travels through Youngstown and Painsville Ohio. This history includes the FP&E and Grand River Railway in 2021. The story is told in 304 pages with 110 glossy color pages and dozens of maps. There is a special section of Herb Harwood many unpublished B/W photos on the Erie Escarpment down to Failes featuring EM-1's. Also, there is a section by Bud Puskarich and Frank Vollhardt on lifting the Lake Branch. This book emphasizes Fairport Harbor and its dumpers, hoists, and ships. There is also the first written history of the new Grand River Railway short line.
- 10184 Staten Island Railroad, by Robert Yanosey. This softcover book of 96 pages covers the history of the SIRT from 1952 to 1987 through color photos and a couple of maps. The B&O obtained control of SIRT in 1885 and it and its successors maintained control until 1985.
- 10185 A Guide to Historical Modeling of Baltimore and Ohio Locomotives from 1900 to 1987, by Greg Smith. This softbound book of 570 pages is a prime reference and workbook for modelers and historians. There are 294 locomotive references covered by more than 17,000 data entries. There is the roster for the title period, including the renumbering of 1957. Also included are lists of commercially-published photos and available models and decals.
